Manifesto

At Silvestre we believe that everyday life also deserves to be celebrated.

Here, in the middle of the city, we cultivate the simple well done: flavors that comfort, spaces that embrace, moments that invite you to stop.

Come to slow down or fill yourself with energy.

Each dish is a respite when you need it or a boost when you are looking to move forward.

We are where the city beats: San Benito and Centro Histórico, two spaces that bloom with you.

In Silvestre, the essential comes to life...
and everything blooms at your pace.
