PIZZAS

We take pride in crafting our pizza dough using the finest ingredients. Our dough is meticulously made with Caputo 0.0 flour, precisely measured water, sugar, salt, yeast, and extra virgin olive oil. To achieve the perfect texture and taste, the dough undergoes a minimum of 24-hour proving before it reaches your table. During this time, the yeast ferments the gluten, resulting in a lighter dough. This not only enhances the overall quality and taste but also ensures a healthier option for you to enjoy.
