videos Return the answers from Beloved videos 1 & 2 to your mentor couple

YOU ask the mentor couple:

1. Share a difficulty or challenge in your marriage, what was the glue that kept you together? How did your faith help you deal with it?
2. When we pray, we receive grace (strength) from God. Do you recall a time when God gave you the grace to love your spouse better?
3. "To serve is to love" How do you show love to your spouse by service? Have you ever recognized the need to "choose" love at times when you didn't always "feel" love?
