

# meeting three expectations

*Start this meeting by going to Mass together with your mentor couple.*

**videos** Return the answers from Beloved videos 5 & 6 to your mentor couple

## YOU ask the mentor couple:

1. What virtues have you grown in as a person since marriage? Share an experience of how the Church has guided you by her rules.
2. Do you have any insights, or recommendations for a couple regarding cohabitation, contraception, or pornography?
3. What are some ways in which receiving the sacrament of reconciliation regularly has strengthened your relationship?
4. What does self-giving in a marriage mean to you?
