## PAYMENT POLICY

Since 1865, Prasser-Kleccka Funeral Homes have provided compassionate and professional funeral services within a comfortable setting tailored to a family's specific needs. As a part of our commitment to the families we serve, we want to clearly state your choices as they relate to payment. We are a family-owned and operated small business and we rely on our clients for prompt payment. You will need to choose a form of payment at the time of arrangements.

In order to continue to provide services of the highest caliber that families have relied on for generations, Prasser-Kleccka Funeral Homes requires that all funeral expenses are paid in full by the day prior to funeral services. Payment in full must be made for all direct disposition (both burial and cremation) before disposition takes place. If payment is not made in full by the day prior to funeral services, Prasser-Kleccka Funeral Homes reserves the right to postpone services and remove public notification of said services (online obituaries, etc.) until said accounts are paid in full. An unanticipated late payment fee of 1% per month (12% annual percentage rate) will be assessed on any outstanding balances.

**When using anticipated benefits from the Wisconsin Funeral and Cemetery Aids Program (WFCAP).** Anticipated benefits means that the State of Wisconsin has approved that an application for benefits can be made. It is not a final determination of benefits. Final determination can take up to 12 weeks to receive from the State of Wisconsin. While a verbal approval to submit an application for benefits may have been given from the State of Wisconsin, it is not a guarantee of benefits. If it is determined that benefits are not available, the purchaser stated on the statement of goods and services for the funeral is responsible for payments anticipated from the State of Wisconsin.

### Methods of Payment

- Pre-funded funeral contract.

- Cash, check, Visa®, MasterCard® or Discover® Card for full amount at time of arrangement.

*Please note that due to estimated costs on some items, your payment might vary slightly from the final invoice. A small final payment or refund will be shown on your final funeral statement. All funeral expenses (funeral home goods and services, cash advances, etc.) paid by credit card subject to a 3.5% processing fee. No out-of-state personal checks accepted – out-of-state purchasers may use a credit card (subject to additional processing fee) or bank (Cashier's) check.*

- Assignment of an approved insurance policy.

*A valid insurance policy will need to be presented to your funeral director prior to the service. The beneficiary of the policy is required to sign the contract and assignment form. The individual signing the Funeral Home contract must be a State of Wisconsin resident, and insurance policy must be verified in force and assignable with sufficient death benefit before services are scheduled.*
