"Count your blessings" is another way to say, "notice where God is at work." As a congregation we have been greatly blessed - with the varied talents, interests, and abilities of our diverse membership, a beautiful historic campus as a beacon of Christ's light in Fredericksburg for over 200 years, the deepening of faith through study and conversation, a heart for outreach and serving our neighbors in need both near and far, the care we show for each other in the ups and downs of our lives, and so much more. This month, we celebrate and

name those blessings as we seek to multiply them in our continued ministry. As those called together as disciples, may we renew our commitments of time, talent, and treasure and proclaim that yes, we are "blessed to be a blessing!"

You can complete your pledge online [HERE](#) or return it to the church office anytime.
