Mission Statement

Our church is an inclusive community which enthusiastically welcomes and gathers all people to share the wonder of God's love. Together we seek to find fullness of life through Jesus' teachings, to reach out into the world to live lovingly and justly as followers of Christ, and to respond actively to human needs. (Adopted by the Williston Federated Church congregation in 2024.)

Call to Worship	One: God calls us here together — each of us, all of us, our whole selves. All: We bring our questions, our longings, our hopes, our dreams and our fears. One: Jesus invites us to come and see where God is at work. All: Across the street and across the globe, Jesus is present. One: Within these walls, around the world, and within our hearts, God is here. All: Let us worship the God who reaches out in love and invites us to come and see! This Week and Beyond at Williston Federated Church

Membership Informational Meeting Sunday, January 25 After Worship

If you are new to the church community, or have been worshipping with us for years, and are interested in joining the church, there will be an informational meeting January 25 11:00-12:00 in the Sitting Room. You will learn about the history of the church and our connection to the UMC & the UCC. Representatives from the various committees will be present to share a bit about the work of their committee. Being a full member of the church is not a requirement for participation in all aspects of worship, serving on committees, providing outreach and service to others. It is an opportunity to make a public statement of Christian witness.

New members will be received on a date TBD. If you have questions, speak to Pastor Paul or Carol Bouchard, Membership Committee Chair. To assist with planning please RSVP to Carol.

Mark your calendars!

On Saturday, March 7, from 9:00 a.m. to 3:00 p.m., Williston Federated Church will again host a workshop led by the nationally-renowned church vitality coach Rev. Paul Nickerson. Methodist and UCC congregations across Vermont are invited to attend this event as well.

Paul Nickerson's workshops are always engaging and entertaining—and his presentation approach helps to inspire congregations to come up with their own creative ideas to implement the outreach strategies he recommends. His training around discipleship and stewardship is deeply meaningful as well. Our congregation has been blessed by the coaching of Paul Nickerson in the past. (Some of our most effective outreach ideas came from our coaching sessions with Paul.) We hope that you will make plans to attend. Please RSVP to Pam at the church office (WillistonFederatedChurch@gmail.com or 802-878-5792) to indicate your interest in attending. *A lunch of soup and sandwiches with a morning snack will be provided to all attendees. A signup to help with this will be posted on the bulletin board.*

### **A Note about the Time with Children**

We are delighted to welcome children into our worship service! And we have a special time during the service aimed especially at the youngest among us—and the young at heart! We welcome children to participate in the "Time with Children" in any of the following ways: remain seated in the pew with their family; gather on the first pew; or sit on the chancel steps. Remember that the worship service is being live streamed to social media. So, if you would prefer that your child not appear in this video on our church's Facebook page, you can keep the children with you in the pew or have them sit on the first pew with their back to the camera. If you have no objection to your child appearing in this live streamed video feed, then all of the options are open to you.

And then following the Time with Children, the younger set can head off to join members of the Education Committee who will engage with the children for a time of crafts and learning. It is a joy to welcome children in our midst!

~~~~~

Fellowship Time After Worship

Each Sunday after the worship service, all are invited to the Fellowship Hall (downstairs) for coffee and light refreshments. This is a wonderful opportunity for informal conversation and building community.

Dismas House

Every third Tuesday of the month volunteers from Williston Federated Church provide a meal to the residents and staff at Dismas House in Burlington. We'd like to thank November's

volunteers, Carol and Bruce Wyatt, Sara Moran, and Sue Hook for sharing food with Dismas, and we continue to welcome offers for future months. You can find the sign-up sheet posted on the bulletin board. One volunteer does not need to be responsible for the entire meal, teamwork is always possible! Volunteers can join those at Dismas for the meal, or they can drop the meal off, whatever works best. Thank you to everyone for supporting this very meaningful outreach! Please reach out to Lizzy Pope at lizzypope@gmail.com with questions.

## **Opportunities For Service**

Are you feeling energetic? Need to get some more steps in? Do you feel the desire to serve this church, but can't make another long-term commitment? Are you new to the church or just returning from being away? Or are you only going to be in the area for a short time? Whatever your motivation, we'll take it!!! We are working on a new way to communicate opportunities for folks to serve this church and our community. They are "Opportunities to Serve". Not on a committee or a board but as a person who appreciates this church and wants to give back, by doing some small bit of work, sharing a talent or ability, or simply lending a hand when another member has a bit of labor that needs doing. There will be a bulletin board at the bottom of the stairs as you exit after worship towards coffee hour or out the door by Fellowship Hall. On it will be written opportunities to serve the church. If you find one there that fits your abilities and your calendar, take it with you. Make contact with the person whose name is on the card and make a plan for how you will fulfill this opportunity. How good it feels to help out!

Greenworks Ministry – Green Tip for the Week

January 10 was National Cut Your Energy Costs Day, an observance that raises awareness of how homeowners can reduce energy costs and improve energy efficiency.

Now is the perfect time to assess where you can cut energy costs. Here are just a few no- to low-cost actions you can take:

1. Weatherstrip and caulk around all entrance doors and windows to limit air leaks that could account for 15 to 30 percent of heating and cooling energy requirements.
2. Set the thermostat as low as comfort permits. Each degree above 68°F can add 3 percent to the amount of energy needed to heat your home.
3. If you are buying a new cooktop, go electric. According to the U.S. Department of Energy, typical gas cooktops are just 15.6-percent efficient, while electric coil cooktops are 73.7-percent efficient, and electric smooth cooktops are 74.2-percent efficient.
4. Turn off your monitor if you are not going to use your personal computer for more than 20 minutes. If you are not going to use your computer for more than 2 hours,

turn off your monitor and CPU. It takes a lot more energy to keep your computer running than it takes to start it.

5. Make sure to replace or clean the air filters for your heating and cooling system at least once a month (or as often as recommended by the manufacturer). Clogged filters lead to lower energy efficiency.

A Compelling Conversation That We Need Right Now

A nation broken by injustice. A society riven by division. Sound familiar? This was the world that confronted Howard Thurman, a great African American pastor and theologian of the twentieth century. Howard Thurman's writings proved deeply relevant to the Civil Rights movement and remain remarkably relevant today.

In the coming weeks, we, too, can benefit from the abundant wisdom offered by this significant spiritual leader. Beginning Thursday, January 29, our pastoral (seminarian) intern Dr. Jill Irvine will lead an adult study series focused upon the life and thought of Howard Thurman. Our window into his work will be a more recent book authored by Lerita Coleman Brown entitled "What Makes You Come Alive, A Spiritual Walk with Howard Thurman". The Christian Education Committee is procuring a fixed number of these books to be available for those participating in the study. (The books are available in hardback only, so if you can contribute ten dollars or more to help defer the expense of the book incurred by the committee, that would be welcome.)

The schedule will be as follows:

- Thursday, January 29 5:30 to 6:30 p.m.
- Thursday, February 5 5:30 to 6:30 p.m.
- Thursday, February 12 5:30 to 6:30 p.m.
- Thursday, February 19 5:30 to 6:30 p.m.
- Thursday, March 5 5:30 to 6:30 p.m.

NOTE: There will be no session on Thursday, February 26. (And for the duration of this study series, the "responding to racism" conversation will occur in the context of these Howard Thurman-focused sessions. The usual "responding to racism" conversations will resume on their regular schedule on March 12.) These sessions will take place in person only in Fellowship Hall. A light meal of soup and bread will be provided for those attending (courtesy of the Christian Education Committee).

Please RSVP to Pam at the church office (WillistonFederatedChurch@gmail.com or 802-878-5792 to indicate your interest in attending.
