Membership Informational Meeting Sunday, January 25 After Worship

If you are new to the church community, or have been worshipping with us for years, and are interested in joining the church, there will be an informational meeting January 25 11:00-12:00 in the Sitting Room.

You will learn about the history of the church and our connection to the UMC & the UCC. Representatives from the various committees will be present to share a bit about the work of their committee. Being a full member of the church is not a requirement for participation in all aspects of worship, serving on committees, providing outreach and service to others. It is an opportunity to make a public statement of Christian witness.

New members will be received on a date TBD. If you have questions, speak to Pastor Paul or Carol Bouchard, Membership Committee Chair. To assist with planning please RSVP to Carol.

## **A Note about the Time with Children**

We are delighted to welcome children into our worship service! And we have a special time during the service aimed especially at the youngest among us—and the young at heart! We welcome children to participate in the “Time with Children ” in any of the following ways: remain seated in the pew with their family; gather on the first pew; or sit on the chancel steps. Remember that the worship service is being live streamed to social media. So, if you would prefer that your child not appear in this video on our church’s Facebook page, you can keep the children with you in the pew or have them sit on the first pew with their back to the camera. If you have no objection to your child appearing in this live streamed video feed, then all of the options are open to you.

And then following the Time with Children, the younger set can head off to join members of the Education Committee who will engage with the children for a time of crafts and learning. It is a joy to welcome children in our midst!

Fellowship Time After Worship

Each Sunday after the worship service, all are invited to the Fellowship Hall (downstairs) for coffee and light refreshments. This is a wonderful opportunity for informal conversation and building community.

Dismas House

Every third Tuesday of the month volunteers from Williston Federated Church provide a meal to the residents and staff at Dismas House in Burlington. We'd like to thank November's volunteers, Carol and Bruce Wyatt, Sara Moran, and Sue Hook for sharing food with Dismas, and we continue to welcome offers for future months. You can find the sign-up sheet posted on the bulletin board. One volunteer does not need to be responsible for the entire meal, teamwork is always possible! Volunteers can join those at Dismas for the meal, or they can drop the meal off, whatever works best. Thank you to everyone for supporting this very meaningful outreach! Please reach out to Lizzy Pope at lizzypope@gmail.com with questions.

### **Opportunities For Service**

Are you feeling energetic? Need to get some more steps in? Do you feel the desire to serve this church, but can't make another long-term commitment? Are you new to the church or just returning from being away? Or are you only going to be in the area for a short time? Whatever your motivation, we'll take it!!! We are working on a new way to communicate opportunities for folks to serve this church and our community. They are "Opportunities to Serve". Not on a committee or a board but as a person who appreciates this church and wants to give back, by doing some small bit of work, sharing a talent or ability, or simply lending a hand when another member has a bit of labor that needs doing. There will be a bulletin board at the bottom of the stairs as you exit after worship towards coffee hour or out the door by Fellowship Hall. On it will be written opportunities to serve the church. If you find one there that fits your abilities and your calendar, take it with you. Make contact with the person whose name is on the card and make a plan for how you will fulfill this opportunity. How good it feels to help out!

Greenworks Ministry – Green Tip for the Week

December 21st was the winter solstice the day with the least amount of sunlight. It will be a while before the days are longer, Solstice literally means "sun stands still". The move forward is slow. So here are tips for lighting. Transition all your bulbs to LED, they emit less heat, use ten times less energy and last longer than incandescent bulbs and this saves you money and reduces energy use which is good for the earth.
