

DISCOVERY BIBLE STUDY • TRAINING

Use the guide below to lead your FCA Huddle in a Discovery Bible Study.
Distribute the Discovery Bible Study Template to your athletes or coaches.

WELCOME

Welcome and Quick Conversation Starters:

1. What are you thankful for?
2. What are you struggling with?

WARM-UP

Next, answer these accountability questions from the previous week. If this is your first meeting, skip these questions and move to the Bible reading.

Athletes need to answer these questions in the form of an “I will... statement.”
(I will choose to trust God in frustrating situations in my sport.)

3. How did you obey last week? (“I will...” statement)
4. Who did you share with? (I will share with my teammates.)

WORKOUT

Choose a passage from the suggested story sets to begin reading your Bible.

- Read the passage aloud, everyone follows along with their eyes.
- Read the passage a second time, but this time close your eyes and listen.
- Together, retell the story in as much detail as you can without looking at the Bible.

Now, look back at these Scriptures and answer the following questions. Be sure to reference the specific verse in your answer. (Ex. John 1, “v. 1 says that the Word was God and with God.”)

5. What does this say about God?
6. What does this say about people?

WRAP UP

Consider the truths about God and people that you wrote down. Lead your Huddle into a discussion on how they can take action this week through the form of an “I will...” statement.

7. By God’s grace how will you obey God’s Word this week?
 - Pray and ask God what truth He wants you to focus on this week.
 - On the Discovery Bible Study sheet, write a one-sentence, “I will...” statement capturing this conviction.
8. Who will you share this Scripture passage with this week?
 - Pray and ask God who needs to hear this.
 - Write down one name and be intentional about sharing with them.
