

Group Travel Advantage

Group Travel Advantage is specifically designed for individuals traveling in groups to destinations worldwide. Whether on a cruise, tour, or vacation, this plan offers coverage and benefits meant to address many of the issues travelers may encounter while exploring the world. Group Travel Advantage offers benefits similar to a group product, but can be individually purchased. No rosters or single form of payment is needed, and coverage is primary. With this plan, benefits are provided for trip cancellation/trip interruption, travel delays, baggage delays, and emergency medical treatment while away from home.

Sometimes life happens and you have no choice but to cancel a trip or end it early. Trip Cancellation and Trip Interruption benefits allow travelers to recover non-refundable, unused payments and deposits made toward their trip when it is cancelled or interrupted for a covered reason. When a trip is delayed and a covered reason keeps travelers from using their originally booked accommodations, trip delay benefits can help reimburse them for the extra expenses.

Pet owners have access to trip cancellation and trip interruption benefits if a dog, cat, or service animal suffers a sickness, injury, or death. The pet boarding benefit can help cover the cost of extended boarding if a return trip is delayed for at least 12 hours and travelers can't pick up their pet on time.

Group Travel Advantage also offers access to world-class Non-Insurance Travel Assistance Services to help in case of an emergency. Services include:

- Emergency travel arrangements
- Medical referral
- Lost passport/travel documents assistance
- 24-hour medical monitoring
- Lost luggage assistance
- Emergency cash transfer
- Embassy or consulate referral
- Legal referrals
- Emergency message relay
- Emergency translations
- Emergency prescription replacement
