***Knowledge of Truth:*** Faith and reason guide us. Truth is not something we invent. It is something we receive from God, discover through reason, and share with others. Truth corresponds to reality as it truly is, and its ultimate source is God, who is Truth itself (John 14:6). When people claim that everyone can have their own truth, there is no longer a shared foundation for right and wrong.

## *From the Pastor's Desk:*

Today we celebrate the Feast of the Epiphany, which remembers the visit of the Magi—the three Wise Men—to the baby Jesus. These men traveled from very far away, following a bright star in the sky because they knew something wonderful had happened. When they found Jesus, they knelt and gave him gifts of gold, frankincense, and myrrh. This story shows us that Jesus did not come just for one group of people, but as a Savior for the whole world. No matter who we are or where we come from, God's love is meant for us.

The star that guided the Wise Men is a symbol of how God leads us today. Just as the Magi looked up and followed the light through the darkness, we are called to look for God's guidance in our own lives. Sometimes life can feel confusing or dark, but the message of Epiphany is that God's light is always shining, inviting us to come closer to Him. By praying and listening to His Word, we can find the right path and discover the peace that only Christ can bring to our hearts.

As we begin this New Year, let us try to be like the Magi by seeking Jesus in everything we do. We can also be like the star for other people. When we are kind, patient, and helpful, we reflect the light of Jesus to our neighbors, friends, and family. Let us ask the Lord to help us share His love with everyone we meet, so that the joy of Christmas continues to shine in our parish and our community all year long.
