Dear Parishioners,

Perhaps you've heard some news or rumors concerning the discernment of a Catholic High School in Prairie du Chien. I want to share just a little bit of the work that has been done! We have been specifically working with Chesterton Academies out of Minnesota. They have a network of nearly 70 high schools across the globe. The curriculum is a classical one, but includes science, math, and everything a child needs to succeed in this world and the next. Perhaps more than classical, we could say the curriculum is deeply Catholic! There will be Mass every day for the students and many other opportunities to grow in faith.

There has been a founding team that has been meeting regularly and our work so far has been to answer the main question: Is this God's will for our children? So far, we've discerned that God is calling us to continue! The Diocese has also given us some criteria to work with: Are there children who would attend? And is this financially viable? Answering these two questions with a resounding "yes" are what the founding team are working on this summer. Our hope continues to be an opening in Fall of 2027 and use St. John's school as the site.

As we continue, can I ask two things? **First, would you please pray for this project?** Specifically that we continue to do God's will above all else, even in the face of any setbacks. **Second, would you please spread the word?** If you have children, grandchildren, or other relatives and friends that are high school age or have high school age children, we would love to talk with them about this amazing opportunity. Please don't hesitate to reach out with any questions or comments!

Seven Sister Apostolic Prayer Group - In need of 7 women from St. Wenceslaus/Sacred Heart parishes who would like to commit one hour a week in prayer preferably in the church or could be done at home. Each lady is assigned a day of the week that she would religiously offer prayers for our priest, Father Ward. Any time of the day you may say the prayers as long as it's on the day of your commitment. Please reach out to Jane Achenbach if you have interest in being one of these women. Dr. Ann Grunwald of Holy Family will meet with the group to further explain the Seven Sisters Apostolic.
