

## A Hearty Thank You--A Cordial Welcome

It is with a sense of deep gratitude first and foremost to God "the Giver of every good gift" that we sincerely welcome our Catholic, Protestant, and non-denomomational friends, acquaintances, and strangers to the new Hall of St. Wenceslaus Parish, Eastman, Wisconsin. In the Charity of Christ we invite you to come often.

Gratitude, indeed, is the keynote of the Grand Opening of this beautiful and spacious Hall. Next to gratitude to God, our profound appreciation to Mr. Jack Pelock, chairman, and the Building Committee: to the ladies of the parish, and to the members of St. Wenceslaus congregation.

It is difficult to put into words our heart-felt thanks to Mr. Howard Kramer, contractor, for a job superbly done: to his efficient workmen: to Eddie Ertel, a most able electrician: to Roger Pelock, for the splendid job of painting: to all Firms, Companies, and individuals who helped to make the Hall a reality.

To Mr. Victor Alger, architect, of the Rowe-Alger Construction Company, Pittsville, Wisconsin, who designed this one of the finest Halls in South-western Wisconsin, a warm Thank You.

To the many friends and acquaintances not of our Faith, for their handsome financial contributions, a sincere God Reward You.

Whenever in this hall, or on parish property, may we kindly ask you to observe three simple rules, 1. For Adults to act like Ladies and Gentlemen, 2. For teenagers to act like responsible young people, 3. For children to act worthy of their devoted parents.

Gratefully Yours

Father Baer, Pastor.  
Jos. A. Sprosty, Secretary.  
Daniel Martin, Treasurer.
