FIND YOUR PLACE

We all have a deep desire to know: **Is there a place for me?** A place where I am known, accepted, and loved? Jesus answers that question with an invitation. You don't have to have everything figured out. You don't have to fix yourself first. **There is a place for you.**

1. JESUS INVITES US TO A PLACE OF REST

Jesus says, **"Come to me."** He invites weary and burdened people to stop striving and find rest for their souls. Finding your place doesn't begin with your performance—it begins with His invitation. The world says, *"Prove yourself."* Religion can say, *"Improve yourself."* **Jesus says, "Come to Me."**

2. JESUS SHARES THE LOAD

You were never meant to carry life alone. When Jesus invites us to take His yoke, He is inviting us to **walk with Him**. The question isn't only, *"What am I carrying?"* but also, **"Who am I walking with?"** The Christian life is lived **at God's pace, in God's direction, with God's presence.**

3. YOU HAVE A PLACE IN THE STORY GOD IS TELLING

Through Jesus, we are no longer strangers—we are **family**. God never intended us to follow Jesus alone. He places us in a spiritual family where we grow together, worship together, struggle together, and serve together.

God doesn't just have a place for you to attend. God has a place for you to belong.

Find your rest in Jesus, Find your rhythm walking with Jesus, Find your people in the family of Jesus.

You don't have to earn your place. You don't have to carry life alone. You don't have to walk alone.

There is grace for you. There is a Savior beside you. And there is a family waiting to walk with you.
