DID YOU KNOW?

This building you are seated in was originally a sheep farm in the early 1800's. A home was built
on the site in 1855 by Architect Joseph Galobinske and mason Chris Galobinske, and lived in this
home for many years.

DID YOU KNOW?

There are many different types of pancake houses, but **we** are an **ORIGINAL Pancake House**,
with many pancake recipes from around the world.

WE ARE VERY DIFFERENT

from other breakfast spots.
Our juice is freshly squeezed daily.
Our whipped cream is made fresh daily.
We make our own sour dough starter in house for the buttermilk pancakes.
We use 100% butter.
We freshly crack over 8000 eggs per week.
Our pancake batters are made from scratch, with just a few
exceptions, as well as our specialty syrups and sauces.
Our omelettes are not like any other omelette; they are soufflé style
omelettes baked in the oven and consist of 5 eggs.
You can learn to slather, sprinkle and squeeze when you order our Dutch pancake.
Our cherries are from Door County, and the Lingonberries are from Sweden.

CAN YOU CHECK THESE BOXES?

Have you tried our signature items
