### Accurate Translation, Proofreading, and Editing:

Our accredited translators and interpreters are native speakers and cultural experts who understand the precise nuances imperative for success.

**Starting at \$0.15/word. Minimum fees charged for projects containing 700 words or fewer.**

All of our translation rates include: use of our experienced team of native translators; use of a second translator in each language to edit and proofread each file; use of an industry specialist as content manager or proofreader; general formatting in commonly used software programs; all administration and management.

### Audio & Video Translation/Localization:

Comprehensive multimedia localization services including subtitling, closed captioning, studio services, voice casting, voiceovers, and video production.

**Starting at \$100/hour.**

### Foreign Language Desktop Publishing:

Any language, for both left-to-right and right-to-left scripts, using all leading software applications.

**Starting at \$85/hour.**

### Global Business Consulting:

Our experts are here to help you understand critical cultural nuances and business best practices.

**Starting at \$125/hour.**

### Language & Cultural Training:

Chinese, French, German, Italian, Japanese, Portuguese, Russian, and Spanish. Online lessons available at the beginner, intermediate, and conversational levels.

**Starting at \$75/hour.**

### Language Interpreting for Legal, Medical, and Business:

We offer on-site interpreting anywhere in the USA. Two-hour minimum, plus mileage & parking.

**Starting at \$100/hour.**

### Over-the-Telephone Interpreting:

Connect with trained interpreters in over 300 languages via the phone 24/7/365.

**\$1.80/minute.**

### Remote Video Interpreting:

Our expert interpreters are available 24/7/365 via remote video.

**\$85/hour**

### Software Localization:

A custom team of native-speaking in-country localizers and editors assigned to your software localization project.

**Price varies by project.**

### The Simultaneous Interpretation App:

The first tool of its kind for simultaneous live interpretation of meetings, conferences, and events.

### Website Localization:

We are here to localize your website for any international market.

*Price varies by project.*

### World-Wide Conference Interpreting:

Make sure you can communicate with effectiveness and cultural awareness at trade shows and international conferences.

*Starting at \$1200/day, plus technical equipment, hotel, travel, airfare, and per diem.*

## ABOUT US

More than 20 years ago, AAA Translation was founded with a mission to help the world's businesses navigate a global marketplace.
