IMPORTANT INFORMATION

The goods and services shown below are those we can provide for our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Charges are only for those items you selected that are required. If we are required by law or by a cemetery or crematory to use any items, we will explain the reasons in writing.

CASKET PRICE DISCLOSURE

A complete price list will be provided at the funeral home.

A complete price list will be provided before you view caskets.

OUTER BURIAL CONTAINER PRICE DISCLOSURE

In most areas of the country, state or local law does not require that you purchase an outer burial container. However, many cemeteries require that you have an outer burial container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

A complete price list of outer burial containers will be provided at the funeral home for your inspection prior to selection.

ALTERNATIVE CONTAINER DISCLOSURE

If you want to arrange a direct cremation, you can use an alternative container.

Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are fiberboard containers or unfinished wood boxes.
