"Remember the prisoners as if chained with them." Hebrews 13:3 (NKJV)

Testimonies from the EDOVO app on the tablet

We have received responses from 86 students who would like paper booklets in addition to the Edovo studies on their tablets. 36 have responded to our request for their Edovo transcript. Their testimonies remind me we are one Body, because we extol one Redeemer. May you be encouraged also as you read these transformations.

Rodger Turley, Director

"I am staying the course. We are always on a journey. I am so grateful for you all at Emmaus. I will never forget how I found that Bible study behind a bench (Born to Win). I don't know if you can grasp how much you all helped me through such a hard time, or how validating those letters and comments on the Bible studies were when I felt so, so worthless and alone. I have been rescued from the pit! And though I may have seasons, I will forever offer my praise to the Way, the Truth, the Light, and those whom He worked through. Thank you, thank you, thank you so much. My release is now less than two months away." *Brandon C*

"I have been a Write-Way student since 1986. I have spent 37 years of my life locked up. I am eligible for parole the 9th time in July. I have a really good job waiting on me in Houston with C.O.O.L. Ministries (Christ Over Our Life). Prison is very easy to get into, but very hard to get out of, no matter how good your behavior in here may be. I am sick to the depths of my soul of this prison life. Right now, I have 71 certificates on Edovo and 42 courses from Write-Way. Thank you for being there all these years! Write-Way Rocks! (ROCK = Represent Only Christ the King)" *Jimmy M*

"I am excited about Emmaus courses being on my tablet and am looking forward to finishing up the lessons." *Cecola M*

"I have received some of the courses through the mail. I have been working on the Edovo app and have a few certificates. I grew up adopted and started getting into trouble at 9 years old. I got shot 4 times at 16; it still did not slow me down. You're meeting me in an important time in my life right now where spiritual endurance is a must. I realize now that this time here is how I know that God knows what He's doing to mold me. Thank you and your community for helping inmates and people like me learn about God." *Willie C*

"You have some tremendous Bible studies. Thank you for offering them to prisoners. I can do written or tablet lessons, or both. This unit at times places tablets on restrictive mode. I'm willing to apply myself. I love God and He is my main focus in life and the very most important factor and source. Thank you for reaching out and making this available to me and others who greatly need it. God loves each one of you there." *Michael M*

"I am looking forward to corresponding with someone in the ministry. I do the courses on Edovo and would like to continue doing them on the tablet. I really like these courses and would love to discuss some of the things the Holy Spirit has revealed to me in them. Thank y'all for everything y'all do. I will be looking forward to making new friendships." *Bobby M*

"Just so you know, Emmaus is the best Bible studies I've done. I'm still working on them both on my tablet and by mail. Can y'all send me any Christian tracts to pass around?" *Larry P*

"Most important is that I am dearly touched by your care and concern for us!" *Miguel S*

"I am currently doing your courses on Edovo. I am looking forward to doing all 50 of them. Thank you for all you do on the inside." *Jake J*

OUR MISSION

To introduce Jesus Christ to each incarcerated person in TX, LA, MS, NM, IA, and NJ through a curriculum of English and Spanish Bible correspondence courses that are free, postpaid, and volunteer counseled. Welcome and pray for 122 new students from New Jersey!

“I had at one time been doing studies through Write-Way, but dealing with mail rooms in here was frustrating. The introduction of courses to the tablet has provided me with an opportunity to use your course once again. I definitely would like the courses I have completed on Edovo added to the records of completed Emmaus courses in your database, so I can see exactly what I’ve accomplished. I am a big proponent of dialogue, because we learn better through discussion. I am a Jewish believer and one of the inmate coordinators for our inmate-led Primary Service. I’m also a facilitator in this facility’s Sober Living housing area. God bless you and your ministry. Thank you for your time and consideration.” **Gary F**

“I have done numerous lessons and should have more than eight Emmaus lessons achieved (on the EDOVO app). I was very pleased to receive a copy of my prior completed lessons; the record shows I started back in 2007. I am housed on a wing specifically for military veterans. Please support me with prayer.” **Donald R**

“I’ve been doing y’all studies for a while now and really enjoy them. I will continue to use my time wisely in here to get close with God and be a better man. I’m currently in review for parole, so pray His blessing on that.” **Christopher R**

“Thank you for connecting with me. My goal is to get my degree in ministry. Can you send me a current transcript? Blessings.” **Marc B**

“I would love to take the courses on my tablet, as long as the stamp is pre-paid, and make sure it’s in English. Thank you and may God bless you.” **Lori J**

I have been doing online and book courses. I look forward to continuing to grow through Emmaus Worldwide.” **Bryce F**

“I would like to get the booklets if possible. I’m having some internet issues. I will work some more on the Edovo app and hope that my connection holds while I’m in the middle of a course. I have learned a lot about God’s Word through Emmaus studies and I really appreciate you guys.” **Steve H**
