ANNOUNCING OUR NEW "PREBUY" PROGRAM THE 2023-2024 HEATING SEASON

The prebuy price is not secured yet, but should be forthcoming by October 10th, 2023.

Your prebuy must be paid for in full by November 1, 2023.

- 1 Estimate your quantity of propane usage for the heating season. **Minimum prebuy is 500 gallons.**
- 2 Plan to have those gallons delivered between November 1, 2023 and March 31, 2024.
- 3 For auto fill and will call customers, you agree to accept all deliveries until the prebuy quantities have been delivered.
If the usage goes over the prebuy quantity, you agree to pay the spot price for the date of delivery.
If your prebuy dollars have not been used by March 31, 2023, they will roll over to be used against spot price for your next fill.
- 4 Please remit the full amount of your prebuy, **no other discounts apply.**
The 10 day payment discount will not apply!
- 5 The form for your estimated gallons and prebuy total amount due will be sent in an email to interested parties on or about October 10, 2024.

Thank you for your business!!
