OUR MISSION

To join with families in creating a meaningful service and everlasting memorial which celebrates every person's family, friends, career, and life's passions

A few things that make us different….

- WE CELEBRATE YOUR LIFE: We join your families in co-creating a life celebration that truly tells the story of who you are and what you were passionate about. Every Life has a story. A funeral is not just a day in a lifetime: it is a lifetime in a day.
- MORE OPTIONS: We provide more options than any other firm because we serve a varied clientele who appreciate a variety of options. We package these simply to make it easy for you to choose the plans that best fit your needs.
- PRICE AND VALUE: We understand that we only get one chance to perform our work sensitively and correctly. There are other funeral homes that proclaim low prices but cut corners with staff, facilities, and procedures. We attract and retain the best staff possible – our people consistently provide outstanding care to those we serve. Our facilities are new and easily the best in the Middle Tennessee area. Every family we serve receives an after-care visit along with follow-up survey and we are proud that they overwhelmingly report they would call us again. These responses confirm the importance of giving people quality and value for what they spend.
- SERVICE PLUS: With all our service plans we provide Service Plus. See the last page for a list of items included.
- BEFORE THE TIME OF NEED: We provide free assistance with pre-planning. You also have the option of locking in today's prices by funding your plan. This allows you the peace of mind of knowing your plan is protected from price increases and inflationary trends. (Or simply placing your wishes on file and allowing the cost to be paid at the time of need.) Every family is entitled to receive our FREE family service-planning guide.
- AFTER THE FUNERAL: The services we offer after the funeral are equally noteworthy. We provide a valuable after-care package that includes materials on coping with the grief process, valuable lists of details to take care of after the funeral and information about veterans, and social security benefits.
