## PASTOR'S MESSAGE

Dear Friends,

Every life has purpose. Nobody is a "nobody." *"I have called you by name and you are mine."* (Isaiah 43:1)

This Friday is the annual "March for Life" in our nation's capital. It is primarily a spiritual event with prayer, song, and fellowship among people who gather to ask God to bless our nation with a Culture of Life. Don't be misled by secular media portrayals which seek out the few among the many thousands who are not true representatives of the event. In fact, a significant number of the participants are high school and college students from across the nation who travel many hours to be here. They joyfully sing and pray and lift everyone's spirits, asking our nation's leaders to "love them both" (women and their unborn children).

The Culture of Life is advancing in our country, step by step, and much of that advance is owing to the younger generations. Their knowledge of biology and their instinctive skepticism of authority have led them to be the most pro-life generation ever.

It is poetic that the March for Life takes place during the same week that our nation honors Martin Luther King, Jr., who heroically led the Civil Rights Movement. If he were alive today he would undoubtedly help to lead the Civil Rights Movement of our time, which is the pro-life movement. In fact, his niece, Dr. Alveda King, is herself a national pro-life leader. What makes Dr. Alveda King's witness even more powerful is that she is post-abortive. She herself suffered the pain and loss of making that mistake in her life, and now she speaks eloquently about the dignity of the unborn child as well as the compassion which must be shown to post-abortive women and men.

The Lord Jesus came to forgive and to heal. I personally believe that the voices of post-abortive women are the most inspiring voices in the pro-life movement today. Give your ears and hearts to their voices - go to [www.helpafterabortion.org](http://www.helpafterabortion.org) and select "testimonies." It will bring tears to your eyes and also give hope to your heart to see how God's mercy transforms and heals.

In this 250th anniversary year may God bless the USA!

Your Pastor,

Father O'Hare

## Vertical-Horizontal Union (VHU): The Best Version of Yourself

*"The best version of yourself."*

What an uplifting and encouraging phrase! Do you want to be mediocre? Do you want to be unremarkable? Do you want to be forgettable? Of course not! You instinctively and daily want to be the "best version of yourself."

What - or rather WHO - makes that version possible?

*"It is no longer I who live; it is Christ who lives in me." (Galatians 2:20)*

The BEST version of you is Jesus Christ living in you. It's not a talent thing. It's not a "try harder" thing. It's not a merely human thing. It's a Jesus thing. The BEST version of you is Jesus living in you.

And how exactly does He live in you?

Look at the Cross. The Cross bears a vertical beam and a horizontal beam. Jesus lives in you vertically and horizontally. Vertical union with God. Horizontal union with your neighbor.

The best version of you is Jesus living in you vertically and horizontally.

In a phrase, life is all about *VHU - Vertical-Horizontal Union*. Make that your personal motto. *Vertical-Horizontal Union*.

Jesus perfectly lived *VHU*. He lived vertically by always being one with His Father, and horizontally by using his divine power to heal, to love, and to save.

*Vertical-Horizontal Union* - Jesus living in you - the best version of you.

By the way, this is not just the best version of you on earth, it's the ONLY version of you in Heaven!

Have you ever read the official description of Heaven in the Catechism of the Catholic Church? It is a combination of vertical union (oneness with God) and horizontal union (unity with other human beings):

"...this communion of life and love with the Trinity, with the Virgin Mary, the angels and all the blessed - is called 'heaven.' Heaven is the ultimate end and fulfillment of the deepest human longings, the state of supreme, definitive happiness. (CCC 1024) Heaven is the blessed community of all who are perfectly incorporated into Christ. (CCC 1026)

Heaven is NOT just eternal face-to-face time with God. It's not just "resting in peace." It's also back-slapping enjoy-life-to-the-full social time with people of *"every race and tongue, every people and*

*nation” (Revelation 7:9); the “city of the living God, the heavenly Jerusalem,” (Hebrews 12:22-23). Heaven is a city full of people!*

Think about the saints. Didn't they live their lives vertically and horizontally to an intense degree? Mother Teresa lived a deep mystical prayer life but was also a tireless missionary loving the poorest of the poor across the globe.

Karol Wojtyła embraced contemplative Carmelite spirituality as a young man, but went on to become a politically savvy Cardinal and Pope who helped defeat Communism. Mother Teresa and Pope John Paul II intensely lived the vertical as well as the horizontal in their amazing lives.

Jesus said *“I came that they might have life and have it to the full.”* (John 10:10) A life of vertical-horizontal union - VHU - that's living life to the full!

### **So what about the Church?**

The Church that Jesus founded must be a Church that is profoundly vertical and horizontal. The Church inspires vertically through her gorgeous cathedrals, captivating architecture, sacred music, Gregorian chant, hierarchy, rituals, and the glory of the Eternal City (Rome).

All these things draw us “up” vertically into the spiritual mystical realities. Every human being hungers to experience sacred mystery.

Every human being also hungers to be loved and to love personally. The Church Horizontal serves the hungry in soup kitchens, sends missionaries to the ends of the earth, cares for the sick in Catholic hospitals, teaches children in parish schools, and - let's not forget - invites everyone to coffee and donuts after Mass so we can all just enjoy life together. All these actions speak the language of horizontal love. Life on earth is all about loving and being loved!

The best version of the Church is a VHU Church - a Church that tirelessly lives Vertical-Horizontal Union.

\* When you look at the new museum-quality paintings that adorn the transept walls of our church, be reminded of the vertical and the horizontal. The painting in the left transept entitled, “St. Louis at Prayer” reminds us of the saint's “vertical” life of piety and his eagerness to frequently attend Mass and listen to preaching of the Word of God. The right transept features a painting of the Good Samaritan. This represents our life of horizontal union by which we love our neighbor. The hinge which joins the two is in the center of our sanctuary, Jesus truly present in the Most Blessed Sacrament. \*

Finding Jesus with

# St. Thérèse of Lisieux

St. Thérèse of the Child Jesus and the Holy Face

*Thérèse's spiritual doctrine is easily understood and can be practically applied in our very occupied, day-to-day lives. Her counsel can ably assist us in enduring and embracing difficulties in prayer, overcoming scruples, and patiently putting up with people who challenge us.*

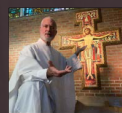

**WOMEN'S SILENT RETREAT**

Friday through Sunday

January 23 – 25

San Damiano Retreat Center

White Post, Virginia

Fr. Jack Riley has been a priest for over 30 years, serving in the Arlington Diocese and beyond. He has taught and led hundreds of conferences, missions, and retreats for priests, religious sisters, and laity around the country and as far afield as Calcutta, India. Carmelite Spirituality and the life and experience of St. Thérèse of Lisieux permeate his courses and spiritual conferences. Fr. Riley currently serves as Spiritual Director for the Arlington Diocese's San Damiano Retreat Center in White Post, VA.

*St. Thérèse is a magnificent manifestation of "the Feminine Genius" and a "Wise Woman" in the fullest sense of the words. Pope St. Pius X called her "the Greatest Saint of modern times" before Pope St. John Paul the Great declared her a "Doctor of the Church."*

Retreat cost is \$299. Financial assistance may be available.

For more information or to register, please contact Father Riley:

## St. Vincent de Paul

**Moved by the Gospel call to serve Christ in the poor, our parish St. Vincent de Paul (SVdP) conference accompanies neighbors through moments of hardship with compassion, respect, and practical support—made possible by your generosity.**

Recently, we assisted a neighbor who needed help paying for an eye exam and glasses. Struggling with vision issues, she was unable to afford the expense as her limited income is fully consumed by rent and basic living costs.

Whenever possible, SVdP members conduct home visits to better understand a neighbor's situation. During one such visit, a member learned that an elderly couple's electricity had been shut off that very morning due to an unpaid balance far beyond their means. The couple has no income and relies on their adult daughters—who themselves have limited resources—to cover rent and utilities. A misunderstanding over who was paying the bill led to several months of nonpayment, leaving the family without the funds to restore service. Through collaboration with other community agencies, Saint Louis SVdP was able to help pay down the substantial electric balance so power could be restored in time for the winter months. The couple will also be applying for a medical utility discount that will significantly reduce future bills.

**Blessed Frédéric Ozanam**, founder of the Society of St. Vincent de Paul, reminds us:

*"The poor are our masters, and we are their servants."*

Thank you for helping us live out this mission through your prayers, compassion, and generous support.
