Pastor's Message

Dear Brothers and Sisters in Christ,

It is all too easy to put saints up on a pedestal as "untouchable," "out of reach," or even "out of touch" with our own real lives. The new saint whom we welcome to our parish campus is not at all like that.

Saint Carlo Acutis wore sneakers, played video games, walked to school, played saxophone, and was an all-around normal teenager. He died unexpectedly on October 12, 2006, of leukemia at the age of 15. His was a short life, but long enough to be canonized as the first millennial saint.

Our new friend lived a Christ-centered life (or to use a fancy word, a Christocentric life). Whether you are single, married, young, or old, you can choose daily to live a Christ-centered life.

Saint Carlo said a few very wise things:

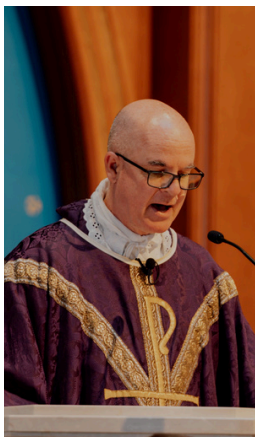

- "Find God and you will find the meaning of your life."
- "God has written a unique and unrepeatable story for each of us, but he lets us write the ending."
- "The Eucharist is my highway to heaven."

Get to know this young saint and you will more easily live a Christ-centered life, most especially through intense devotion to the Real Presence of Jesus Christ in the Holy Eucharist.

All of us are made for vertical union with God through the spiritual and sacramental, and for horizontal union with one another through a life of fellowship and service. Saint Carlo will be a new inspiration for all of us to live life to the full in this way!

Our New Bell Tower Saint

St. Carlo Acutis: A Saint for Our Time

The Church has been blessed with many saints throughout her history, and each reminds us in a particular way of our universal call to holiness. St. Carlo Acutis, canonized by Pope Leo XIV on September 7, 2025, is a particularly relevant example for our time. Born in 1991, Carlo lived only fifteen years before dying of leukemia in 2006. While his life was short, his love for God and his service to others provide a powerful witness to what it means to live as a disciple of Jesus Christ.

Carlo was, in many respects, an ordinary young man. He enjoyed soccer, spending time with friends, and working with computers. Yet, at the center of his life was an extraordinary love for the Eucharist. He attended daily Mass, prayed the Rosary, and spent time in Eucharistic Adoration. He understood that our relationship with Jesus Christ is not simply one part of our lives, but the foundation upon which everything else is built. Carlo also used his knowledge of technology to create a website documenting Eucharistic miracles throughout the world, making use of the gifts God had given him to share the Catholic faith with others.

There is an important lesson here for all of us. We live in a world in which technology, work, entertainment, and the demands of daily life can easily occupy our attention. St. Carlo Acutis reminds us that these things need not draw us away from God. Rather, when properly ordered, they can become opportunities to grow in holiness and to serve others. Carlo did not wait until he was older to take his faith seriously, nor did he believe that holiness required him to withdraw from ordinary life. He sought to make God the center of everything he did.

At St. Louis, we recognize that we are made for both vertical union with God and horizontal union with one another. These two dimensions of our lives belong together. Carlo's devotion to the Eucharist strengthened his relationship with God, while his concern for the poor and his kindness toward others expressed that love in practical ways. His life reminds us that the spiritual life is not separated from our responsibilities to our families, our neighbors, and our parish community.

The statue to be placed beneath the bell tower (opposite the current statue of the Sacred Heart) was gifted to us by the parents of Ian Ramirez (2024 graduate of St. Louis Catholic School) who unexpectedly passed away earlier this year. This statue honors Ian, who shared many qualities with St. Carlo, and declares boldly that holiness is not reserved to adults. By God's grace every young person can live a holy life, which is, in fact, ultimately the happiest life. We are so grateful that Bishop Burbidge has so generously made the time to come to our parish and personally bless this new statue. St. Carlo Acutis, pray for us!

It is in Giving that We Receive…

Dear Parishioners of St. Louis,

As we prepare to celebrate Thanksgiving I thank YOU! This is YOUR parish! Your regular giving to St. Louis Parish makes amazing graces possible for countless souls!

I invite you to review your current levels of giving to the **Parish Offertory** and to the **Monthly Maintenance Fund**. Without your financial support this parish cannot exist. As the annual financial report indicates (see last page), we have exercised responsible stewardship of your generosity this past fiscal year. But we can - and want - to do more!

Kindly increase your regular giving at least in proportion to this year's increased cost of living. Also give prayerful consideration to giving more, e.g., the equivalent of one hour's earnings.

Giving the equivalent of an hour's earnings is approximately 2.5% of one's annual income. The Lord will see the good that you do and cannot be outdone in generosity!

With Sincere Gratitude,

Fr. O'Hare

Father O'Hare

IRA QUALIFIED CHARITABLE DISTRIBUTION

A Qualified Charitable Distribution (QCD) is an opportunity to make a gift from your traditional Individual Retirement Account (IRA). The QCD limit for 2025 is $108,000 per individual.

Avoid paying Income Tax

Beginning at age 70 ½, IRA owners can make an impact on the parish and at the same time reap significant tax benefits. Using your IRA can be tax advantageous because gifts from your IRA directly to a charity are not subject to ordinary income tax.

Satisfy your Required Minimum Distribution (RMD)

Beginning at age 73, IRA owners are typically subject to a taxable Required Minimum Distribution (RMD). Funds you transfer to the parish with a Qualified Charitable Distribution can help satisfy your RMD but are not counted as taxable income.

Your IRA distribution must

To avoid paying income taxes, the distribution must come from the administrator to the parish. You cannot receive the funds first.

Example:

Assume you are 73 years of age or older and your required minimum distribution for the year, which you are required to take by December 31, is $25,000.

You make a $15,000 Qualified Charitable Distribution (QCD) to the parish, designating $10,000 to support the parish offertory and $5,000 for the school, maintenance, or another ministry of your choice. Additional Qualified Charitable Distributions could be made to the Diocese of Arlington for the Bishop's Lenten Appeal, or to other charities you support.

The QCD satisfies your $25,000 Required Minimum Distribution (RMD) for the year.

While the $25,000 distribution is generally not tax deductible, your tax benefit comes from excluding the $25,000 from your annual gross income.
