

To our Prospective Clients,

Thank you for considering Kindred Spirits for your next big event. How does it work? You provide the liquor. We provide the rest.

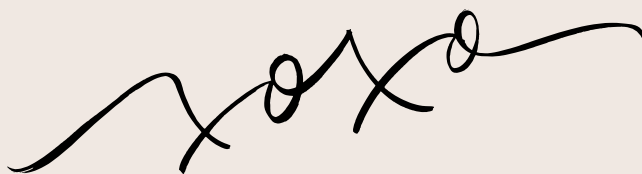

In New Hampshire, Massachusetts, and Maine, we operate as a “Dry Hire” vendor- which means you provide the liquor, we provide the bartending services.

At Kindred Sprits, we strive to make the process as stress-free as possible. That’s why we provide Shopping Spreadsheets with the best prices at various retailers near you to save you money on your liquor order.

Open bars at full service wedding venues are often the largest charge a couple incurs. With mobile bartending, your cost is significantly reduced (without sacrificing great service!)

Our mission is to provide our clients with excellent service, creative cocktails, and an unforgettable experience without breaking the bank.

Let us help you celebrate in style for your big event!
