TO WHOM IT MAY CONCERN

This is to confirm that we at Grace Road lines LTD, Calgary AB send drivers to Truckademy for MELT drivers' training. They provide high quality training to the drivers. We have hired drivers from their driving academy, and we had good experience with those drivers. We would send more drivers to Truckademy when the need arises, and we also recommend Trckademy for drivers' training.

If the reader needs any clarifications, please contact the undersigned.
