

Welcome to Torbay Tigers

We hope this sheet goes someway to explain how we operate.....

Tigers currently operate 17 training squads. Men, Women, Boys, Girls across a range of age groups.

All players are required to be members of the club and are requested to attend training regularly.

As a member, each player is allocated a spot in a training squad and issued a Tigers branded reversible training vest.

Player fees range from £30-£45 per month. The difference in rates reflects different training schedules and also factors some suppressed fees where we have been lucky enough to gain grant funding for specific demographics. Our most expensive fees are based on a rate of £8 per hour, which we hope you will find affordable and comparable to other sports.

The specific fees for you/your player will be clearly laid out in the formal club registration process.

Fees are paid monthly, via our **360Player app**, which also helps us schedule and communicate events across the club.

Player fees cover a single season (Sept - May).

Fees are the same each month, and will be automatically paid on the same recurring date from when the first payment was initiated. If a player joins mid-season, the fees are calculated on a pro-rata basis. If a player decides to leave the club, mid-season, fees can be cancelled immediately.

Many of our squads will have the opportunity to play competitive matches throughout the season. This tends to incur additional match fees. Usually in the region of £10 per event. Chargeable through the 360Player app.

In exceptional circumstances, players may receive a reimbursement on their club fees if they are unable to attend on a regular basis (e.g. significant injury). Otherwise, payments remain the same each month, regardless of how many sessions the player attends. We encourage regular attendance so that our players develop at the same rate.

Generally speaking, our junior squads tend not to train during school holidays.

Squads participating in Regional and National Basketball England competitions will also need to purchase a player licence, payable directly to BE. These range from £20-£40 for the season. Many of our squads will not need these. We will inform those who do need to purchase them.

Keep an eye on your 360Player app for notifications. This will ensure that you don't miss out on any key events or updates. We won't spam you. Please actively accept or decline any invites to training/matches/events.

Torbay Tigers is a Charity. Every penny we receive goes back into the running of the club and offering playing opportunities for all players.

If you have any questions, please ask your coach, or message Lee Pottinger or Lloyd Blackler through the 'chat' section of the 360Player app. Grrrrrrrrrr
