Downtown Businesses

CHARITY & CHEER WINDOW WALK

The Festival of Trees is introducing a new way to spread joy and support the community and we'd love your business to be part of it! The Charity & Cheer Window Walk is a collaborative program that pairs 12 local nonprofits with downtown businesses to showcase themed, decorated trees in storefront windows. Each nonprofit will raise funds through a raffle tied to their tree, and the event will bring holiday foot traffic, festive cheer, and a deeper connection between local causes and the downtown district.

The event runs November 28 – December 6, culminating in a community-wide raffle drawing during the Starlit Soiree Gala.

WHY PARTICIPATE:

1. Increase foot traffic and visibility during the holiday shopping season
2. Partner with a local nonprofit making a real difference
3. Be part of a city-wide experience that lights up downtown Sandpoint
4. Build goodwill and community spirit with minimal commitment

There is no cost for businesses to participate. All we need is a bit of space and a willingness to collaborate with a nonprofit partner for a great cause.

Let's make Sandpoint even more magical this holiday season!

FESTIVAL OF TREES

Gingerbread Competition

THE SWEETEST TRADITION CONTINUES

In 2024, the Community Resource EnVision Center proudly hosted the second annual 4th Grade Gingerbread Competition as part of the beloved Festival of Trees. Thanks to the generous support of Durfee Construction, this growing tradition welcomed seven schools and eleven fourth-grade classrooms from across Bonner and Boundary Counties to showcase their creativity and holiday spirit.

During Friends & Family Day, each classroom's gingerbread masterpiece was on full display for students, families, and community members to admire and vote on. The competition culminated at the Gala, where the winning creation, Valley View Elementary School's cozy "Campfire Trailer" gingerbread house, was auctioned off for \$4,000, benefiting their selected nonprofit, Boundary County Coalition for Families. In an incredible show of generosity, the gingerbread was donated back and re-auctioned three additional times, ultimately raising \$11,000. Of that total, \$7,000 was donated to support our mission to empower our community through connection, service and support.

We continue this tradition not only to celebrate youthful creativity, but also to plant seeds of philanthropy, collaboration, and community pride in our future generations. We understand the incredible demands placed on teachers and intentionally keep the competition simple and student-centered. This event offers an opportunity for camaraderie, creativity, and a touch of healthy competition among classrooms and schools.

Will you join us in making this heartwarming tradition even sweeter in 2025?
