

# GRASS SEED, FERTILIZER & STRAW

## **SOUNDVIEW ESTATE MIX - \$195.00 per 50# bag**

A blend of Ryegrass, Bluegrass and Fescue. For the look of sod after seeding. The rich dark color and fine texture of the Estate Mix keep folks coming back for more.

## **SOUNDVIEW SHADE MIX - \$245.00 per 50# bag**

Germinates and grows well in the shade.

## **TRI-PLEX PERENNIAL RYEGRASS - \$178.00 per bag**

Three blends of Ryegrass are included in this certified seed mix. Tri-Plex is dependable and consistent for use throughout the season and for over-seeding applications in the Fall.

## **PELLETIZED LIME - \$8.00 per bag**

Pelletized lime is excellent for restoring the correct soil pH needed for a successful lawn nutrient management program.

## **12-15-6 w/25% XCU FERTILIZER - \$30.00 per bag**

With 25% XCU and 1% Iron, this is our recommended starter fertilizer for use when seeding. Can also be used to promote growth in new lawns.

## **24-0-3 w/50% XCU FERTILIZER - \$30.00 per bag**

With 50% XCU, this is a general purpose lawn fertilizer designed to deliver long-lasting nutrients to your lawn. Can be used any time during the season while the grass is growing.

## **SHREDDED STRAW - \$20.00 per 3.5 cu. ft. bag**

Prevents erosion and provides superior protection for new lawns (*less weed seed than hay*). 100% natural, no additives and completely biodegradable.

## **SHREDDED HAY - \$17.00 per 3.5 cu. ft. bag**

Prevents erosion and provides superior protection for new lawns. 100% natural, no additives and completely biodegradable.
