

Dear Parishioners and Friends,

We have been through a great deal in my eight years as Pastor of Holy Redeemer Catholic Church. We confronted COVID when pandemic restrictions limited our worshipping together with a combination of Livestreaming and Parking Lot Masses.

When COVID subsided we rebuilt our parish spiritually and physically. To increase accessibility to our church and make it more welcoming we constructed an addition with an elevator, creating a more inviting entrance to our hall. We also renovated the sanctuary, making it brighter.

Above all a church is a home for seekers, so to revitalize our spiritual life we established Small Faith Sharing Groups, bringing new energy to our parish.

To build on our success we are launching *"Unless the Lord Build the House,"* our 2025 Capital Campaign. Funds from the Campaign will complete renovations to the exterior of Holy Redeemer Church and make needed updates to Our Lady of Grace Chapel and the Rectory.

Through the years Holy Redeemer's parishioners and friends have strongly supported efforts to keep our parish flourishing. I am confident you will continue helping our ministry in Jesus' name.

Thank you, and God bless you.

Fr. John M. Sullivan, Pastor

P.S. Stop by and say hello before or after Mass, call me at the rectory, or send an email to [frjohnsullivan@holyredeemerchatham.org](mailto:frjohnsullivan@holyredeemerchatham.org).
