“Bibamus et Invenio”
(Let us drink and discover)

Aleksandar Jovanovic

"There are no standards of taste
in wine, cigars, poetry, prose, etc.
Each man's own taste is the standard,
and a majority vote cannot decide
for him or in any slightest degree
affect the supremacy of his own standard."

Mark Twain

Our list is designed to provide a comprehensive overview of some of the world's greatest wine regions and their best wineries. It offers *Bibamus et Invenio...* a mix of great wines and some of the best values on the market today. We hope you will find what suits your mood tonight.

However, if you do dare to challenge your palate, cannot find exact match for your meal, or simply do not feel like reading our book, Truffles' wine team lead by Aleks will bore you to death with wine talk...and hopefully find your new favorite.
Salute!

CORAVIN WINES

“This is a story of how a man with a background in physics, mechanical engineering, nuclear power and medical devices invented the Coravin Wine Access System and forever changed the world of wine.”

...on Coravin’s inventor Greg Lambrecht

Truffles & Butchery are excited to introduce the Coravin Wine Access System. The system was tested and perfected for over a decade, and it is nothing short of amazing in what can do when it comes to preservation while enabling access to the contents of wine bottles. Here is a small selection of remarkable wines from our cellar offered either as a 2oz taste or a full glass with a Coravin guarantee of preserved quality and freshness. In addition, for those of you with wine cellars, we are offering a full retail of Coravin System and its accessories in Butchery Market. Please ask for Aleks or Brandon if you would like to hear or see more about this revolutionary product.
