“Bibamus et Invenio”
(Let us drink and discover)

Aleksandar Jovanovic

"There are no standards of taste
in wine, cigars, poetry, prose, etc.
Each man's own taste is the standard,
and a majority vote cannot decide
for him or in any slightest degree
affect the supremacy of his own standard."

Mark Twain

Our list is designed to provide a
comprehensive overview of some of
the world's greatest wine regions
and their best *Bibamus et Invenio...*
wineries. It offers
a mix of great wines and some of the
best values on the market today. We
hope you will find what suits your
mood tonight.

However, if you do dare to challenge
your palate, cannot find exact match for
your meal, or simply do not feel
like reading our book, Truffles'
wine team lead by Aleks will
bore you to death with wine talk...and
hopefully find your new favorite.
Salute!

CORAVIN WINES

"This is a story of how a man with a background in physics, mechanical engineering, nuclear power and medical devices invented the Coravin Wine Access System and forever changed the world of wine."

...on Coravin's inventor Greg Lambrecht

Truffles & Butchery are excited to introduce the Coravin Wine Access System. The system was tested and perfected for over a decade, and it is nothing short of amazing in what can do when it comes to preservation while enabling access to the contents of wine bottles. Here is a small selection of remarkable wines from our cellar offered as either a 2oz taste or a full glass with a Coravin guarantee of preserved quality and freshness. In addition, for those of you with wine cellars, we are offering a full retail of Coravin System and its accessories in the Butchery. Please ask for Aleks or Brandon if you would like to hear or see more about this revolutionary product.
