"The Safer Option"

Environment Sustainability and Facilities Policy

1. Policy Statement

RTS is committed to environmentally responsible operations, sustainable business practices, and the provision of safe, clean, and functional workplaces and facilities.

2. Scope

This policy applies to all RTS workplaces, sites, and operations.

3. Environmental Management

RTS will:

- Comply with environmental legislation and requirements
- Minimise environmental impacts where reasonably practicable
- Promote responsible resource use

4. Waste Management

RTS will:

- Reduce waste generation
- Promote recycling and responsible disposal
- Ensure waste is managed in accordance with legal requirements

5. Sustainability

RTS integrates sustainability considerations into:

- Procurement and supplier engagement
- Operational planning
- Resource and energy usage

6. Work Environment and Facilities

RTS will ensure:

- Facilities are safe, clean, and fit for purpose
- Amenities meet health and safety requirements
- Hazards are identified and addressed promptly

Employees must report hazards or facility issues immediately.

7. Review

This policy will be reviewed annually or as required.
