

THE HISTORY OF

PaveLogic

2009

INCEPTION

We start a small parking lot striping company in Greenville, SC.

2011

GROWTH

Quality, customer service and referrals fuel rapid expansion into all areas of pavement management.

2013

EDUCATION

We now enjoy many local clients which we are fortunate to call friends. We embrace our role as teacher and advisor.

2016

ASSESSMENTS

We begin inspecting and evaluating portfolios of pavement. First-on-shelf, proprietary tools are developed.

2020

REGIONAL DEPLOYMENT

Proof of concept affirms we have a better way. Working with local medical campuses, school districts, national accounts, etc., we expand our footprint.

THINK AHEAD.
