Walking on Sunshine 2026 Gala

To benefit Sunshine Physical Therapy Clinic and Mr. Steve's Sunshine Kids

Who We Are

At **Sunshine Physical Therapy Clinic**, we believe everyone deserves the chance to move, heal, and thrive. As **the only nonprofit outpatient therapy clinic on the Treasure Coast**, we have spent more than 70 years serving individuals and families who might otherwise go without the care they need. Since 1953, we have welcomed every patient who walks through our doors **regardless of their ability to pay**.

What We Do

We provide comprehensive **physical, occupational, and speech therapy** services to both adults and children.

For adults, our specialized programs include:

LSVT BIG and LSVT LOUD for Parkinson's Disease

Lymphedema therapy

Vivistim therapy for survivors of ischemic stroke

Personal training and assisted fitness to support long-term wellness after therapy

For children, our **integrated pediatric therapy** department ensures every child receives the best support possible. Our pediatric physical, occupational, and speech therapists work closely together to help each child reach greater independence, with a strong focus on **sensory integration** and **behavioral support**.

We are deeply rooted in our community and proudly collaborate with organizations such as **The Arc of Indian River County, Healthy Start, Safe Families, and The Centers for Memory & Movement**.

Why We Need Your Support

In 2025 alone, our therapists provided over 25,000 visits to individuals in need, totaling more than **\$881,000 in free or subsidized services**. Much of this care supported underinsured children, **92% of whom have been diagnosed with a disability**.

This year, your support is **especially critical** as we recover from **unexpected facility damage** that temporarily disrupted our operations and increased our financial needs. Community generosity ensures we can continue providing **uninterrupted**, high-quality therapy to every child, adult, and family who depends on us.

Your sponsorship directly strengthens our mission and helps ensure that **no one is ever turned away due to cost**.

Every day at Sunshine, children reach new milestones and adults regain strength, balance, and independence. The progress we witness - from first steps to restored mobility - reflects the life-changing impact your support makes possible.
