

NAFRS Permit, Inspection, Response Fee Schedule - 2025

Operational Permits	MSFC	Fee
Aerosol Products	105.6.1	\$100
Amusement buildings	105.6.2	\$250
Aviation Facilities	105.6.3	\$250
Carnivals & Fairs	105.6.4	\$250
Combustible Dust Producing Operations	105.6.6	\$250 (\$100 private Ag)
Compressed Gases	105.6.8	\$50 Bev CO2 \$100 Larger
Covered and Open Mall Buildings	105.6.9	\$100
Cryogenic Fluids	105.6.10	\$100 - \$250 based on quantity
Exhibits & Trade Shows	105.6.13	\$100 + Plan review
Explosives	105.6.14	\$100 - \$250 based on quantity
Flammable and Combustible Liquids	105.6.16	\$100 - \$250 based on quantity
Hazardous Materials	105.6.20	\$100 - \$250 based on quantity
High-Piled Storage	105.6.22	\$150 - \$250 based on commodity
Lumber Yards and Woodworking Plants	105.6.25	\$100
LP Gas - Storage & Use > 500 Gal	105.6.27	\$100 - \$250 based on quantity
Miscellaneous Combustible Storage	105.6.29	\$100 - \$250 based on quantity
Mobile Food Preparation Vehicles	105.6.30	\$50/event annual \$100
Motor Fuel-Dispensing Facilities	105.6.31	\$100 - \$250 based on quantity
Open Flames & candles - Assembly, Drinking/Dining	105.6.34	\$100
Outdoor Assembly Event (1000 or more)	105.6.36	\$250 + Plan review
Places of Assembly	105.6.37	See Below
Pyrotechnic Special Effects Material	105.6.40	\$100
Repair Garages & Motor Fuel-dispensing facilities	105.6.43	\$100
Temporary Membrane Structures and Tents	105.6.47	\$75 <= 1500 sq ft. \$150 >1500 sq ft \$250 >10,000 sq ft. + Plan review if determined
Waste Handling (wrecking yards, junk yards, & waste material-handling facilities)	105.6.49	\$250
Wood Products (Chips, hogged material, in excess of 200 Cu Ft	105.6.50	\$250

Inspection Fee by Occupancy

Occupancy Type	Frequency	Fee
Assembly - Theater, Gym, bowling alley	Annual	\$100
Assembly - Place of Worship (ancillary use)	Annual	\$100
Assembly - Restaurant/Bar/Club	Annual	\$100
Assembly - Dance Hall/Nightclub	Annual	\$100
Mercantile & Business	Bi-annual	\$100 < 10,000 sf \$250 > 10,000 sf
Warehouse/Storage	Bi-annual	\$100 - \$250 by sq ft.

Open Burning Permit	Ordinance	Fee
City of Northfield - by ordinance	Sec 26-98	\$25 + plan review as needed
City of Dundas - by ordinance	Sec 93.08	\$25 + plan review as needed
Unpermitted Fire Response Fee - 1 apparatus		\$100 + double permit fee
Unpermitted or "Out-of-control" Fire Response Fee - multiple apparatus		\$250 + double permit fee
<i>Recreational Outdoor fires no permit required. *See nafrs.org for definition of rec fires</i>		
<i>Rice County townships through MN DNR</i>		
<i>Dakota County townships - NAFRS</i>		

Construction Permits	MSFC 2020	Fee
Fire Protection systems - Clean agent, Commercial Hoods, Sprinkler (Excluding fire pumps covered 105.7.8)	105.7.1	2% of project cost Minimum \$200
Battery Storage Systems	105.7.2	\$250
Capacitor Energy Storage Systems	105.7.3	\$250
Compressed Gases	105.7.4	\$250
Cryogenic Fluids	105.7.5	\$250 + Plan review
Fire Alarm & Detection System	105.7.7	\$200 + \$5/initiating device + Plan review
Fire Pumps and related equipment	105.7.8	\$650 + Plan review
Flammable and Combustible Liquids	105.7.9	\$250 + Plan review
Gates & Barricades across Fire apparatus access road	105.7.12	\$100 + Plan review
Hazardous Materials	105.7.13	\$250 + Plan review
High Piled Combustible Storage	105.7.14	\$250 + Plan review
LP Gas System Installation of or modification	105.7.16	\$250 + Plan review
Private Fire Hydrants	105.7.19	\$50 per hydrant
Smoke Control or smoke exhaust systems	105.7.20	\$250 + Plan review
Special Event Structure	105.7.22	\$250
Spraying and Dipping operations	105.7.23	\$100
Standpipe Systems w/o sprinkler sys	105.7.24	2% of project cost minimum \$200
Temporary Membrane Structures & Tents (Plan review fee when required by AHJ)	105.7.25	\$75 <= 1500 sq ft. \$150 > 1500 sq ft.
Inspection fee for each fire sprinkler air, hydro test, and final when under MSFM Permit		\$75
Reinspection fee when no-show/no call for scheduled date/time.		\$100
Addition Reinspection fee when required when item is not corrected by due date with no communication		\$75

Typically handled as part of Operational permit

Occupancy Type	Frequency	Fee
R-2 Multi-Family Residential - Apartment, Townhome, condominiums	Annual	\$100 + \$10 Dwelling unit
R-2 Multi-Family Residential - Dormitory, Townhome, Student housing residence	Annual	\$100 + \$10/Sleeping unit
R-2 Multi-Family Residential - Independent Living	Annual	\$100 + \$10 Dwelling unit
R-1 Hotel/Motel (as part of SFMD delegation, fees as per statute)	Annual	\$100 + \$10/Sleeping unit
I-1 & I-2 Assisted Living, Memory Care, Treatment, etc. (May be deferred if MSFM covered)	Annual	\$100 + \$10 Sleeping or Dwelling unit
		MSFM Currently

Fire Response - Fire Detection/suppression devices or systems not protected or put in test with Fire Watch	Fee
Hot Work - Welding, cutting, heating, brazing, grinding, etc.	\$250
Construction Dust	\$250
Gas/LP leak/odor for gas-fired appliances installed with no permit	\$250
Fire Sprinkler or Fire Alarm system work not "in test" with alarm monitoring central station	\$250
Fire Drill without putting system "in test" with alarm monitoring central station.	\$250
MN State highway or railroad Right-of-way fire suppression fee	Actual expenses per statute
<i>NAFRS will update annually or when changes due to inspection delegations take place during the year</i>	
<i>NAFRS approved 4/17/2025</i>
