DANCE WITH MEE!

July 16 - 17, 2027

Caller/Cuer: David & Dawn Mee

David has been calling for over 37 years, calling originally in 1975 at the age of 11. However, he did not fully pursue the calling profession until 1980. Since that time David has become a very popular and highly sought after caller. He calls dances throughout California on a regular basis. He has also called dances internationally in several countries. David calls and teaches all levels from Basic to C-1. He has recorded for Shakedown Records and recently has been added as a staff caller for CHIC Recordings. In addition to his square dance calling, David works as an executive for Disney. He also sings and plays the piano with a Praise Band at Yorba Linda Friends Church.

Dawn has been a well-known instructor in the clogging community since the mid 1970's. She has danced and competed in clogging events across the country. Dawn saw that she found a home in the Round Dance community as well. She cues dances for clubs all across Southern California. In addition to her Round Dancing, Dawn works part-time as a systems consultant for a machine shop and is loving being a grandma. *You can find more at dancewithmee.com.
