Parents/carers

As a school we have a duty to protect staff from harm whilst doing their job and therefore has a zero-tolerance approach and any incidents in which a staff member is abused, threatened or assaulted - either; in person, by phone, online or email – will not be tolerated. Any communication that is abusive, threatening or assaults staff, will result in either a warning or a ban from site. This will be at the discretion of the Senior Leaders and Governors of the school.

I will do my best to:

- › Make sure my child attends school regularly and on time. I will notify the school if my child will be absent
- › Make sure my child is dressed in the correct uniform and brings their PE kit to school where necessary
- › Support the school to make sure my child maintains a consistently high standard of behaviour
- › Encourage my child to try their best so they can reach their full potential
- › Communicate to the school any concerns that I have about my child that may affect their behaviour in school or ability to learn
- › Make sure communication with the school is respectful, and that I make every reasonable effort to address my communications to the appropriate member of staff
- › Understand that I should communicate with staff during core school hours, and although they may at times respond outside of those hours, I can't always expect that
- › Make sure that my child completes their homework on time, and raise any issues that my child has with their teachers

- › Read and follow the school's policies
 - › Treat all members of the school community with care and respect
 - › Engage in parent meetings and work together with the school in order to achieve the best outcomes for my child
 - › Parents will not participate in or share any negative, derogatory, or inappropriate comments about the school or its staff on social media or any online platforms, nor will I be party to such discussions.
 - › Read all communications sent home by the school and respond where necessary
