

Dear Ms. Kramer,

Thank you for applying for Georgia Life Alliance Committee's Pro-Life Certification in your run-off election for Georgia House District 50. As you know, due to public comments you made in the media about being pro-choice, we requested an interview to discuss via Zoom on June 8th.

After careful consideration, we regret to inform you that we are unable to Certify you as Pro-Life in this race.

Specifically, our decision was based, in part, upon:

- **You stated in your questionnaire that you would have voted for the Heartbeat Bill, but you told us in your interview that you have never read the bill and were unsure how you would have voted for the bill.**
- **You stated in your interview that "...abortion should be rare, safe, and legal."**
- **You stated in your interview that, "there are times where people need to have" access to abortion.**
- **You stated in your interview that you would vote against pro-life legislation in certain circumstances.**
- **You stated in your interview that the only reason you sought Pro-Life Certification from GLA Committee is because your opponent was Certified Pro-Life.**

Georgia Life Alliance Committee firmly believes that conversions can and do happen, but Certification is an important measure that allows Georgia voters to know they can count on a candidate to always vote for GLA's pro-life legislative agenda.

As your beliefs or values regarding Life continue to evolve, we encourage you to reapply for certification in any future campaigns you may have.

If you have any questions, wish to discuss this matter further, or believe this decision was made in error, please email us at info@georgialifealliance.com or call us at 678-597-8055.

We wish you luck in your endeavors and look forward to continuing to work together on our common goals.

Together for life,

Georgia Life Alliance Committee
