We love the Miami 285 so much, we made it our latest display home - available for walkthroughs from July.

Featuring soaring cathedral ceilings over the open-plan living, dining and kitchen, plus expansive windows and oversized doors that flood the home with natural light. The private media room impresses, while the master retreat boasts his-and-hers showers, walk-in robe and built-in window seat. Perfect for wider blocks, the Miami 285 is bold, light-filled and unforgettable.
