FORM 3a: PROJECT SUMMARY/DESCRIPTION

Note that the project summary is based on the scoring criteria stated in the Request for Application. Please refer to the specific questions listed in the scoring criteria when completing the project summary.

Project Summary:

The City of East Tawakoni is seeking funding to implement a targeted illegal dumping prevention initiative. This project involves the installation of 5 surveillance cameras in key areas throughout the city that are known hotspots for public dumping. The goal is to reduce illegal waste disposal through monitoring, enforcement, and public awareness, thereby protecting the health and safety of our citizens and preserving the local environment, including the land and nearby lake systems.

Statement of Need:

Illegal dumping has become an issue within the City of East Tawakoni, particularly in remote or low-traffic areas where individuals leave trash, debris, and potentially hazardous materials. This practice not only degrades the natural beauty of our community but also poses serious health and environmental risks. Unregulated dumping threatens local wildlife, contaminates soil and water sources, and presents physical hazards to residents and city maintenance crews. Our proximity to Lake Tawakoni makes it especially critical to prevent pollutants from entering the watershed. Additionally, the presence of dumped materials in public areas can lower property values and diminish the quality of life for our residents.

Project Description:

This project will involve:

- The installation of 5 surveillance cameras in high-risk areas throughout the city.
- Placement of clearly visible signage warning the public against illegal dumping and indicating that the area is under surveillance.
- Coordination with local law enforcement and public works departments for camera monitoring, response, and enforcement.
- Community outreach to raise awareness about the harmful impacts of illegal dumping and proper waste disposal methods.

Expected Outcomes:

- A measurable decrease in instances of illegal dumping in monitored areas.
 - Increased ability to identify and hold violators accountable.
- Enhanced public awareness and community engagement in environmental stewardship.
 - Long-term protection of the city's land, lakes, and natural resources.

Conclusion:

By funding this project, the granting agency will support a cost-effective, sustainable solution to a growing environmental and public health issue. The City of East Tawakoni is committed to keeping our community clean, safe, and beautiful. With the support of this grant, we can take a meaningful step toward preventing illegal dumping and protecting the natural assets that define our city.

FORM 3c. LEVEL OF COMMITMENT OF APPLICANT

(Add additional pages as necessary)

Provide information related to the Applicant's level of commitment to preferred solid waste management practices. If the proposed project is an ongoing service, demonstrate the ability to sustain the program beyond the term of the grant. Explain the extent to which the appropriate governing bodies support the proposed project.

List any previously demonstrated commitment to preferred solid waste management practice, such as: implementing other solid waste management projects; involvement in a local or sub-regional solid waste management plan or study; membership in an environmental activity.

The City of East Tawakoni holds an annual City -Wide Clean up to assist our residence in removing debris that our normal trash service will not pick up. We have ordinances in place to assist our police officers in being able to write citations for junk and debris. Our city workers, citizens, city council and mayor are all committed to keeping our city and lake clean so it will be a beautiful place to live and visit.

The City of East Tawakoni holds an annual city wide clean up including years that grant funds are not available.

We are adding the cameras to help our Code enforcement to catch people who are dumping through out the year in between clean ups.

FORM 3d. SCOPE OF WORK

Form 6: Certifications and Assurances

Certifications

In order to receive grant funds under this program, the proposed project must conform to the provisions set forth in the Request for Applications (RFA). The following certifications are intended to help the COG to ensure that these provisions are met. By signing this Application, the person acting on behalf of the Applicant makes the certifications listed below.

1. Authority to Sign Application

The person signing this Application hereby certifies that he/she is the official contact regarding this Application and has authority from the Applicant to sign the Application and that such authority will bind the Applicant in subsequent agreements.

2. Application Contains No False Statements

Applicant certifies that this Application has no false statements, and that the Applicant understands that signing this Application with a false statement is a material breach of contract and shall void the submitted Application and any resulting contracts. The Applicant understands that the COG will not accept any amendment, revision, addition, or alteration to this Application after the final date and time for submission.

3. Governmental Status

Applicant certifies that it is located in the State of Texas and fits within one of the governmental classifications listed below, as determined under state law:

❖ City

☐ County

☐ Public school or school district (not including Universities or post-secondary educational institutions)

☐ Other general and special law district with the authority and responsibility for water quality protection or municipal solid waste management, including river authorities.

☐ Council of Governments

4. Solid Waste Fee Payments

Applicant certifies that it is not delinquent in payment of solid waste disposal fees owed the State of Texas.

5. Debarment from State Contracts

Applicant certifies that it is not barred from participating in state contracts by the State of Texas Comptroller of Public Accounts under the provisions of §2155.077, Government Code.

6. Conformance to Standards

The Applicant certifies to the best of their knowledge and ability that the proposed project, including all activities in the proposed Scope of Work and the proposed expenditures, conforms to the eligible category standards and allowable expense and funding standards as set forth in the Request for Applications.

7. Consideration of Private Industry

The following certification only applies if the project is under one of the following grant categories:

- A. Source Reduction and Recycling
- B. Citizens' Collection Stations and "Small" Registered Transfer Stations
- C. A demonstration project under the Educational and Training Projects category

Applicant certifies that it has notified private service providers in accordance with the requirements set forth in the Request for Applications and the instructions provided with this application form. Applicant further certifies to the best of their knowledge and ability (after completing Form 5) that the proposed project will promote cooperation between public and private entities, is not otherwise readily available, and will not create a competitive advantage over a private industry that provides recycling or solid waste services.

8. Consistency with Regional Solid Waste Management Plan

Applicant certifies to the best of their knowledge and ability that the proposed project is consistent with applicable goals, objectives, and recommendations of the RSWMP of the COG.

9. Technical Feasibility

Applicant certifies that it has carefully reviewed its Scope of Work and that to the best of their knowledge and ability all activities are technically feasible and can be satisfactorily completed within the grant period as set forth in the Request for Applications.

10. Costs Reasonable and Necessary

Applicant certifies to the best of their knowledge and ability that the proposed project activities in the Scope of Work and the expenses outline in the Budget are reasonable and necessary to accomplish the project objectives, and that the proposed expenses are consistent with the costs of comparable goods and services.

11. Certification by Law Enforcement Programs

If the Applicant is a law enforcement entity regulated by Chapter 1701 of the Texas Occupations Code, the Applicant certifies that it is in compliance with all rules developed by the Commission on Law Enforcement Officer Standards and Education (TCLEOSE) pursuant to Chapter 1701, Texas Occupations Code; or that it is in the process of achieving compliance with such rules. If compliance is pending, a certification from TCLEOSE must be attached to indicate that the Applicant is in the process of achieving compliance with the rules.

Assurances

If the application is approved for funding, the grant funds will be awarded through a contract between the Applicant and the COG. The grant contract will contain a number of standards, requirements, and processes that must be complied with as a condition of receiving the grant funds. In order to ensure an understanding by the Applicant of some of the main conditions that will be included in the contract, the Applicant is asked to review the following assurances. By signing this Application, the person acting on behalf of the Applicant indicates their understanding of these conditions and provides assurances that these and other conditions set forth in the grant contract will be adhered to if funding is awarded.

1. Compliance with Standard Pertaining to Real Property and Equipment

Applicant provides assurances that, if funded, the Applicant will comply with the TxGMS and the contract provisions pertaining to title to and management of real property and equipment. The contract will contain obligations and conditions regarding the use of the equipment and/or facilities (the "property") acquired under the agreement. Included in the provisions are obligations to provide adequate maintenance and conduct physical property inventories; restrictions and conditions on the use, replacement, sale, or transfer of the property; and obligations to continue to adhere to the provisions that grant funds not be used to create a competitive advantage over private industry, in the use or transfer of the property.

2. Participation in TCEQ Recycling Surveys and Reporting

Applicant provides assurances that, if funded, the Applicant will respond to annual recycling program surveys and/or other requests from the COG or the TCEQ for information on municipal solid waste management activities.

3. Compliance with Progress and Results Reporting Requirements

Applicant provides assurances that, if funded, the Applicant will comply with requirements for: reporting on the progress of the project tasks and deliverables; documenting the results of the project and providing those results to the COG on a schedule established by the COG, and additionally, to continue to document the results of the project activities for the life of the project; and to provide the COG with a follow-up results report approximately one year after the end of the grant term.

4. Financial Management

Applicant provides assurances that, if funded, the Applicant will comply with contract provisions and requirements necessary to ensure that expenses are reasonable and necessary, and to adhere to financial administration and reimbursement procedures and provide financial reports on a schedule established by the COG.

5. Compliance with Americans with Disabilities Act

Applicant provides assurances that, if funded, the Applicant will comply with all the applicable requirements of the Americans with Disabilities Act of 2013.

6. Compliance with the Single Audit Act

Applicant provides assurances that, if funded, the Applicant will comply with the Single Audit Provisions of the Texas Grants Management Standards (TxGMS) prepared by the Texas Comptrollers of Public Accounts.

Provisions of the Single Audit Circular under the Standard Financial Management Conditions Section; Audit starting on page 40 of the TxGMS that applies to all recipients of funding under this grant.

7. Compliance with Program and Fiscal Monitoring

Applicant provides assurances that, if funded, the Applicant will comply with program and fiscal monitoring provisions of the contract, including: providing additional reports or information as may be requested to adequately track the progress of the project; and allowing site visits to evaluate the progress of the project and to view any grant-funded equipment or facility.
