Prayer to St. Michael the Archangel

St. Michael the Archangel defend us in battle. Be our defense against the wickedness and the snares of the Devil. May God rebuke him we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls.

Amen

Pope's monthly prayer intention

For evangelization in the city

Let us pray that in large cities often marked by anonymity and loneliness we find new ways to proclaim the Gospel, discovering creative paths to build community.

Please consider sharing your valuable time and talent.

How many times do we shrink back from a challenge or an opportunity because we think we are not qualified? Or someone else is smarter, more experienced and would do a better job. This line of thinking often causes us to shrink rather than rise and step into our calling. If an opportunity comes your way that feels too big for you, remember that you are not the source of your success. God is. If something is meant for you, if it is within his will for you, God will indeed equip you to become who you need to be, to do what you need to do. God can supply you the competence and the confidence for every good work.
