Our History

Der Platz Fuer Speise, Trunk und Gemuetlickhkeit!

(The Place For Food, Drink and Good Cheer!)

Our story began in 1961 when we purchased the tavern that sat on this very spot. We knew we wanted to share more than spirits so we gathered family recipes for great German and local food and the old tavern was torn down and the Schnitzelbank Restaurant was born in 1971.

Ranking in the top 10 independent restaurants in Indiana, it has become a destination in itself with our Wunderbar Salad Bar, Bratzel, 2" Chops, a full bar and working Glockenspiel. To extend our hospitality, even more, we built our award-winning Hampton Inn next door.

Our Specialties are known far and wide and led us to open Schnitzelbank Catering so we could share our German and American fares even further. With full kitchens on wheels, we're able to offer Hot on the Spot catering services for parties up to 20,000 and everything in between.

On the North side of Jasper, the former Jasper Country Club has become home to the Parklands and our 600 person event center, KlubHaus 61. The lower level houses the Schnitz Pub where you will find a choice of specialty pizzas, appetizers, sandwiches & salads as well as a selection of microbrews from around the country and full bar.

Betty, I, our children and grandchildren are at the help in each of the properties. We're still enjoying sharing our local heritage, hospitality, and great German fares.

Ein, Zwei, Dri, Prost - 1, 2, 3 Cheers from us, our children and grandchildren - get ready to enjoy a little bit of Germany right here in Southern Indiana!

*Let our family take care of yours,
Larry & Betty Hanselman*

DUBOIS COUNTY

Duboiss County CASAs are community trained volunteers who advocate for the best interests of abused and neglected children and make the child's wishes known to the court. If you would like to learn more about how you can be a voice for these children, contact us at: casa@duboiscountyin.org

Comfort Zone

The Comfort Zone is a safe, comfortable place for children who have been removed from their home due to abuse or neglect to wait for a placement. While there, they are given a new duffle bag and it is filled with new clothes, including socks and underwear and toiletries. They choose a home-made quilt and stuffed animal. Volunteers make food for children, play games, watch movies and play with toys with them. Comfort Zone volunteers help relieve some of the trauma of being removed.
