And now to Him who is able to do
To do exceedingly, abundantly above
All we can ask, all we can think
All of the glory be to You…

Who are able to do
To do exceedingly, abundantly above
All we can hope, all we can dream
All of the glory be to You

And now to You who are able to do
To do exceedingly abundantly above
All we can ask, all we can think
All we can hope or dream
All glory be to You, all of the glory be to You
