Chanukah

Make my life Your temple
Lord at this season start
To pull down every idol I have raised up in my heart

On this Chanukah
On this Feast of Dedication
I dedicate myself to You

Take my defiled altar
Come and cleanse and come repair
So every time I falter I can run to meet you there

On this Chanukah
On this Feast of Dedication
I dedicate myself to You

And with every candle on the menorah
That illuminates the night
Comes a prayer You'd kindle
In me Yeshua
A desire for Your fire, for Your light

Make of my mortal body
A house worthy of Your name
Rid me of what's ungodly and every hidden thing of shame

On this Chanukah
On this Feast of Dedication
I dedicate myself to You

And with every candle on the menorah
That illuminates the night
Comes my prayer You'd kindle
In me Messiah
A desire for Your fire, for Your light

Take my supply of oil
Not enough to burn long I fear
But, oh how I pray I may one day say “A great miracle happened here!”

On this Chanukah
On this Feast of Dedication
I dedicate myself to You
My Yeshua, I dedicate myself to you….
