Christmas Star

Words and Music by Danyel Misha Goetz

Far away in the dark, dark night shines the Christmas star
It sheds it's light over all the earth to lead men from afar

(Chorus)
Bright, bright Christmas Star,
Shine, shine on us!
Lead us to the little child
Born in Bethlehem

Where is He whose star we've seen
Heralding good news?
For we have come to worship Him
Born King of the Jews!

(Chorus)
Bright, bright Christmas Star,
Shine, shine on us!
Lead us to the little child
Born in Bethlehem
