Come, behold the works of The Lord
How He has wrought the desolation
How He has brought His early help
The Lord of Hosts is with us
The God of Jacob is our refuge
When the nations rage and all the kingdoms fall
He says I Am, I Am, I Am all

And there's a river who's streams make glad the city of God
They flow to His Holy habitation
They flow to the home of the Most High
The Lord of Hosts is with us
The God of Jacob is our refuge
He breaks the bow, he shatters the spear
And says I Am, I Am, I Am here!

So we will not fear
Though the worlds should change
Though the waters roar
Though the mountains shake and tremble
For He's a present help in trouble, in trouble

Be still and know that I am God
I Am exalted in the nations
I Am exalted in the earth
The Lord of Hosts is with us
The God of Jacob is our refuge
To the ends of the earth He causes wars to cease and says
I Am, I Am, I Am peace
He says I Am, I Am, I Am peace
