VERSE 2
And from the dust that was the earth
God made man
In His image He made them
In the beginning, in the beginning

And when He looked on all He'd made
God saw it was good
V'yar Elohim ki tov
That's our beginning, in the beginning

B'reshit bara Elohim et hashamayim v'et haaretz

Melochol haaretz k'vodo
And the stars in the sky tell His story
So His children below will know
