No More Night

The timeless theme, Earth and Heaven will pass away
It's not a dream, God will make all things new that day
Gone is the curse from which I stumbled and fell
Evil is banished to eternal hell

No more night, no more pain
No more tears, never crying again
And praises to the great, "I am"
We will live in the light of the risen Lamb

See all around, now the nations bow down to sing
The only sound is the praises to Christ, our King
Slowly the names from the book are read
I know the King, so there's no need to dread

No more night, no more pain
No more tears, never crying again
And praises to the great, "I am"
We will live in the light of the risen Lamb

See over there, there's a mansion prepared for me
Where I will live with my Savior eternally

See over there, there's a place He's prepared just for me
Where I will live with my Savior eternally

No more night, no more pain
No more tears, never crying again
And praises to the great, "I am"
We will live in the light of the risen Lamb

Praises to the great, "I am"
We will live in the light of the risen Lamb
We will live in the light of the risen Lamb
