O Lord (I've Done It Again)

O Lord, I've done it again
That which I did not want to do
And I know Lord, that I have sinned against you
And you alone, forgive me

Hey Lord, do you remember when
I did it before a long time ago?
What's that you say, Lord
Just this morning I did it too
Oh, what can I tell you, but only

Create in me a clean heart O God
And renew a right spirit within me
Open my mouth, I will show forth your praise
And teach the people your ways
Make me clean, O God, from all you've seen, O God
That I might serve you all of my days
I wanna serve you all of my days

La, la, la, la, la, la, la, la
Why do I never do what I should do?
La, la, la, la, la, la, la, la
Why do I always do all the things I know you never would do?

A sacrifice acceptable in your sight
Is a spirit broken and a heart contrite
So cleanse me pure with hyssop, I'm waiting
My sins are surely dissipating me, and frustrating me
I end up hating me!

O let your mercy flow and wash me white as snow
Lord, I want you to smile, so I'll never go and do that again
I'm gonna show, Lord, that perfect is more my style
But, it could take awhile
So help me…

Create in me a clean heart O God
And renew a right spirit within me
Open my mouth, I will show forth your praise
And teach the people your ways
Make me clean, O God, from all you've seen, O God
That I might serve you all of my days
I wanna serve you all of my days

La, la, la, la, la, la, la, la
Why do I never do what I should do
La, la, la, la, la, la, la, la
Why do I always do all the things I know you never would do

Well teach me to always do
All of the things you want me to do
And then one day I will be perfect…
Like you
