Translation: Oh Lord Our Lord, How excellent is Your name
You Who has set Your Glory above the Heavens

When I consider Your Heavens
The work of Your fingers
The moon and the stars which You ordain
What is man that You are mindful of him
And the son of man that You visit him?

(Chorus)

O Lord, our Lord
How excellent is Your Name in all of the earth
O Lord, how excellent is Your Name
(repeat)

And the avenger You still with the praises of singers
The infants and babes whom You ordain
What is man that You are mindful of him
And the son of man that You visit him?

(Chorus)

Your name given so freely for us to claim the name of Jesus
You came a little lower than the angels to humble yourself
Only to be exalted, exalted

(Chorus)
(Counter Medley)

Adonai, Adonenu
Yeshua, bless Your Holy name
We love Your name
