Here I am, waiting once again.
On my knees, listening and then
In a moment, a voice so clear
speaks in a whisper, the words I need to hear.

I know the plans I have for you,
You're always on my mind.
And all the thoughts I think toward you
are lovingly designed,
to bring you through, and give to you
a future and a hope.
They're for your peace, they're for your good,
the plans I have for you.
(Repeat Chorus)

Oh, there is no one like you,
still sometimes I need you to remind me.
And every time you do, you say,
"Seek me. You will find me."

I know the plans I have for you,
You're always on my mind.
And all the thoughts I think toward you
are lovingly designed,
to bring you through, and give to you
a future and a hope.
They're for your peace, they're for your good,
the plans I have for you.

(Instrumental Break)

To bring you through, and give to you
a future and a hope.
They're for your peace, they're for your good,
The plans I have for you.

The plans I have for you.
